

Premium Offset Cup Impactor

Premium Offset Cup Impactor

The Premium Offset Cup Impactor provides robust impaction with a simple quick release mechanism to detach from the acetabular cup in-situ.

Features:

- Pole driving impaction
- Connection for optional supine and lateral alignment arrays
- Indexing of cup for correct lag screw positioning
- Threaded interface that is easily replaceable in the field
- Based on a proven design with over 10 years' clinical use
- Fully disassembles for cleaning.

Enztec is focused on the design and manufacture of orthopaedic instruments. We are a proven, quality approved supplier to all major orthopaedic implant companies and welcome your enquiries.
